

## Flood / Storm recovery assistance for Primary Producers in Dungog Local Government Area

Hunter Local Land Services has been working with Daracon to develop a recovery assistance package for Lower Hunter primary producers to repair or reconstruct farm roads/ laneways following the recent storm event. Daracon has generously offered to provide road base material from their Martin's Creek Quarry at a discounted rate to help the farming community with their recovery efforts.

### **Nominal 50mm road base will be made available from Martins Creek Quarry for \$7.70 per tonne (GST inclusive)**

To be eligible for the discount you must be registered as a Primary Producer and located within Dungog Shire.

All orders are to be placed directly with Martins Creek Quarry – 4938 5261, with a minimum of 24hrs notice prior to dispatch. Opening Hours are 6am-6pm Monday-Friday and Saturday by appointment. Payment via Credit card and EFTPOS only.

Dungog based transporting company, Burns Earthmoving are available to assist with transportation of road base if required. Please contact John Burns on 0428 979 827 for any delivery requests.

Please contact the *LLS Flood Recovery Officer*, Skye Moore if you require any further information. Ph: 4938 4956 or 0428 048 060. Email: [skye.moore@lls.nsw.gov.au](mailto:skye.moore@lls.nsw.gov.au)
